filling of the above-captioned application.

Documents FA and FG are in the English language. Therefore, no concise explanation of the relevance of the documents is believed to be required under 37 C.F.R. §1.98.

Documents FB, FC and FH are not in the English language. However, document FA is a corresponding English language publication of documents FB and FC. Document FG is a corresponding English language publication of document FH. The concise explanation of the relevance of documents FB, FC and FH required under 37 C.F.R. §1.98 is believed to be satisfied thereby.

Documents FD to FF and FI are also not in the English language. However, the concise explanation of the relevance of the documents required under 37 C.F.R. §1.98 is believed to be satisfied by the submission of English language abstracts thereof.

Please note that documents FB, FC, FD, FF and FH are described in the paragraph beginning on page 1, line 21, of the specification of the present application. Japanese Patent No. 3086822B which is described in the same paragraph is a corresponding publication of document FI. Document FH is also described in the paragraphs beginning on page 3, line 7, and page 3, line 17.

Please also note that documents FB, FC, FD and FE are cited in the International Search Report of the present application. A copy
